

D Skill exam question

"God is omnipotent and omnibenevolent. Therefore he clearly designed the universe". Discuss. (15)

Tips for success:

- ♦ Intro—what are you going to argue.
- ♦ Para 1—arguments why some people agree.
- ♦ Para 2—arguments why people may disagree.
- ♦ Conclusion—a jazzy reason for your view. (it should add something to the argument).

Key words to use:

Creatio ex nihilo,
Paley, Design, Dawkins,
Stephen Fry, Trees,
Gravity, Seasons, War,
Famine, Disease.

Introduction:

Catholics believe in the Argument from design created by William P _____ which said that everything in the world needs a d_____. In this essay I am going to argue that God *did/did not* design the universe.

Paragraph 1: Why might some people agree?

I think some people would agree that God designed the Universe because

D Skill exam question

Para 2—Why might some people disagree?

I think some people would disagree that God created the universe because

Stephen Fry would say that God is a 'm_____ and a m_____ 'because

Conclusion: What's your view? Why?

I think God *did/did not* design the universe because
